### RAFFLE PRIZES IN DISGUISE.

Then instead of stacking it in the back of the cupboard for 2 years- give it to the Sailing Club for a raffle prize.

We are always looking for little things to add for 2<sup>nd</sup> & 3<sup>rd</sup> prizes and will put everything to good use!

Items can be brought along on to a Social Night, or a Sunday,( to find Jan Woods or Carolyn May) or left at the kiosk with David.

If you put your name on the bag ,we will acknowledge your generosity.

Thanks from the Social Co-ordinators- Jan and Carolyn.

### Camping Trip

A group of members are having a camping/ caravanning weekend at Tarra Valley on the weekend of the 17-18<sup>th</sup> of March.

Any members that are interested in going on this weekend can contact Don Barnett or Phillip Carter 0438291976

# COMMODORE'S BLURB

Dear Members,

What a fantastic week end we just had. By far the biggest fleet to sail to Dromana Pier on Australia Day morning, running in conjunction was a keel boat / trailable race to a mark somewhere off Rosebud and back to Safety Beach. A fleet of 30 off the beach boats competed in the afternoon for Australia Day Medals. David was manning the BBQ from 8 in the morning and continued cooking right through lunch, and followed up serving members with a delicious bucket of fresh prawns in the afternoon.

Friday night saw the return of twilight keel boat/ trailable racing. 8 boats competed with many of the yachts crewed by the Friday afternoon adult sail training participants. Mean while back at the club over 100 people were enjoying fine food and music. Saturday night was new members BBQ and the committee would like to thank Jan Woods and Carolyn May for putting on a wonderful night. A mixture of 120 new and old (longer term members) took the opportunity to mix and get to know each other and hopefully forge new friendships.

Thank you to everyone who dug deep and supported the junior raffle, and to those who provided prizes.

Although we lacked breeze on Sunday there was no lack of enthusiasm with 35 boats rigged and ready to sail on Sunday morning. At 10am we saw 3 keel boats start their race and shortly after sail into what could only be described as a huge hole, and all returned back to the Marina under motor. An attempt was made to get a start in the afternoon but not long after the second start the breeze dropped to zero and the race was called off.

Mean while in the back ground work continues on a major fundraiser, THE DECK, more information will be available shortly as the format of the evening is determined. Once again we say good bye to Mark and Di and look forward to their safe return in approx 6 weeks.

I look forward to seeing you all next weekend.

Rosco
